

The following provides an abstract of Dr. Hennig's law firm in English.

Our law firm exclusively works in the field of criminal defence and misdemeanor law – both minor and major lawsuits. Highly qualified and totally committed to achieve the best for our clients. Criminal defence is not only a job but it is our vocation. It is our moral duty to fight for a fair procedure in court and also for the rights of the defendants. Our personal leitmotif and highest priority is always the interest of our clients.

Criminal matters which our office handles range from misendeavor to felony (e.g. murder and manslaughter), sexual abuse, harrassment and rape, property crime (e.g. petit and grand larceny, burglary-robbery, fraud, possession of stolen property), drug crimes (BtMG), assault and mayhem and also traffic violations (e.g. endangering of traffic).

You can count on our commitment and support way when having lost a case and you intend to start an appeal. Additionally, our services include defence in case of being charged for compensation of damages in the field of civil law. When you are a witness yourself, our office is happy to provide assistance when in witness stand.

In case you are a defendant in a lawsuit, do not hesitate to contact us and we will provide the best support possible. It is essential that you do not talk to the police or give any other statement, and retain Dr. Hennig to protect your rights as soon as possible. The investigative phase of our representation begins the moment a client hires us. Dr. Hennig delves into police reports, obtains forensic testimony, and identifies weaknesses in the prosecution's case. We work closely with our clients, discussing events and gathering all details pertinent to the defense. Hard work and a thorough approach opens doors to uncovering vital evidence. To convict in a criminal case, the prosecution must prove that the defendant is guilty beyond a reasonable doubt. The primary role of a criminal law attorney is to unearth evidence that creates doubt and plants seeds for acquittal.

His clients know how high the requirements for best criminal law defence are. They also know that these are always more than fulfilled by Dr. Hennig. Experience has proven that our clients appreciate the committed work of Dr. Hennig. They know the importance of high standards and thorough investigation of their cases. This is the ideal that Dr. Hennig has committed himself to, no matter if minor or major cases, no matter if guilty or not guilty.

The following provides a short insight into Dr. Hennig's vita and experience
